## INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors  
A Cat's Life Rescue, Inc.  
Mount Rainier, Maryland

I have reviewed the accompanying financial statements of A Cat's Life Rescue, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Accountant's Responsibility

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

I am required to be independent of A Cat's Life Rescue, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my review.

### Accountant's Conclusion

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Waynesboro, PA  
September 12, 2022

**A Cat's Life Rescue, Inc.**  
**Notes to the Financial Statements**  
**For the Year Ended December 31, 2021**

---

**1. ORGANIZATION**

A Cat's Life Rescue, Inc. (The Organization) is a nonprofit organization in Prince Georges County, Maryland which was formed under the laws of the state of Maryland on October 11, 2018. The Organization's mission is to provide a trap-neuter-return (TNR) program, adoptions, and medical care for cats, as well as education and therapeutic programs to the public.

***Animal Care***

The Organization provides expert care for the homeless and injured cats and strive to find them new caring and safe homes. Dedicated staff work to provide training and basic medical care, so the cats are ready for adoption. During the year ended December 31, 2021, the Organization found homes for 392 cats and kittens, all of which were also spayed/neutered, and TNR'd an additional 466 community (feral) cats.

***Education and Outreach***

Specially trained staff members lead educational programs throughout the region on multiple cat welfare topics. Perspective families are offered classes in animal behavior and on-going support after the adoption. The Organization engages with community leaders to end animal homelessness and strive for collaboration between law enforcement, veterinary clinics and community centers.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting, and in accordance with accounting principles generally accepted in the United States of America which includes Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities*.

**Accounting Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies, if any, at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Organization considers all highly liquid investments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, when purchased to be cash and equivalents. The Organization places its cash with high quality financial institutions. The Organization does not believe it is exposed to any significant credit risk on cash and cash equivalents.

**Property and Equipment**

Property and equipment is recorded for purchases over \$1,000 at cost, or if donated, at fair value on the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets of 5 years. When assets are sold or otherwise disposed of, the cost and related depreciation are removed from the accounts, and any resulting gain or loss is included in the statement of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Depreciation expense for the year ended December 31, 2021, was \$545.

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

**A Cat's Life Rescue, Inc.**  
**Notes to the Financial Statements**  
**For the Year Ended December 31, 2021**

---

*Net Assets With Donor Restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Donated Use of Facilities, Materials and Services**

Use of facilities and materials received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt. During 2021, the Organization was donated a vehicle with a value of \$3,800 and is recorded in property and equipment in the accompanying statement of financial position.

Contributed goods and materials are recorded at fair value at the date of donation and consist principally of animal food and related supplies.

Donated services are recognized as contributions in the statement of activities at their respective fair values of the services received if the services create or enhance non-financial assets or require specialized skills, such as legal and accounting services, are performed by people with those skills, and would otherwise be purchased. The Organization recorded no donated professional services during the year ended December 31, 2021.

Volunteers, including the Organization's Executive Director, contribute significant amounts of time to the Organization's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

The Organization elected to early adopt ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-For-Profit Entities for Contributed Nonfinancial Assets*. The ASU requires Not-For-Profit entities to present gifts-in-kind received in a separate line item in the statement of activities apart from contributions of cash or other financial assets and disclose the amount of gifts-in-kind received by category in the notes to the financial statements.

**Revenue Recognition**

*Contributions* – Contributions are recognized as revenue at fair value when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Funding received before conditions are met is reported as refundable advances.

*Grants* – Grants are recorded as revenue at the time that the unconditional award is made. Conditional grants are only recognized as revenue at fair value when if and when the specified conditions are met.

*Adoptions* – Adoption fees are recognized as revenue when the animal is transferred to the new home.

*Special Events* – Special events revenue is recorded equal to the fair value of direct benefits to donors, and contribution revenue for the difference.

**Advertising Costs**

Advertising costs are expensed as incurred, with \$342 incurred during the year ended December 31, 2021.

**Functional Allocation of Expenses**

The costs of providing the Organization's programs and supporting services are summarized on a functional basis in the accompanying statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Certain categories of expenses are attributed to more than one

**A Cat's Life Rescue, Inc.**  
**Notes to the Financial Statements**  
**For the Year Ended December 31, 2021**

program or supporting function, and therefore, require allocation on a reasonable basis that is consistently applied. Accordingly, certain costs have been allocated between the programs and supporting services benefited. The majority of expenses, including animal medical care and animal food and supplies, are allocated directly based on the nature of the activity. Expenses that benefit multiple activities or functions are allocated on the basis of estimates of benefits to the respective functions.

**Subsequent Events**

In preparing these financial statements, management has evaluated events and transactions that occurred after December 31, 2021, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through September 12, 2022, the date that the financial statements were available to be issued. The Organization is not aware of any other subsequent events which would require recognition or disclosure in the accompanying Financial Statements.

**3. REFUNDABLE ADVANCES**

Refundable advances are comprised of grant funds which have been received but for which all the conditions for retaining the funds have not been met. If all the conditions are not met, the unspent funds must be returned. Once these conditions are satisfied, the funds are moved from refundable advances and recognized as revenue with donor restrictions and simultaneously released from restriction. Refundable advances were \$5,070 as of December 31, 2021.

**4. NET ASSETS WITH DONOR RESTRICTIONS**

Net assets with donor restrictions consist of the following as of December 31:

	2021
<b>Purpose restricted:</b>	
Best Friends Animal Society	\$ 8,920
Total purpose restricted	<u>8,920</u>
<b>Time restricted</b>	<u>-</u>
Total	<u>\$ 8,920</u>

Net assets were released from donor restrictions during the year ended December 31, which satisfied the restricted purposes specified by donors as follows:

	2021
<b>Purpose restricted:</b>	
Best Friends Animal Society	\$ 1,080
Maryland Department of Agriculture (2021)	5,880
Maryland Department of Agriculture (2021-2022)	1,755
Total purpose restricted	<u>8,715</u>
<b>Time restricted</b>	<u>-</u>
Total	<u>\$ 8,715</u>

**5. CONTRIBUTED NONFINANCIAL ASSETS AND SERVICES**

For the year ended December 31, 2021, contributed nonfinancial assets and services recognized within the accompanying statement of activities were comprised of \$9,298 of animal food and supplies utilized in the Organization's programs. The Organization estimated the fair value of contributed food and supplies using the lowest advertised prices of the same or similar items from large retailers on or around the date of the contributions.

**A Cat's Life Rescue, Inc.**  
**Notes to the Financial Statements**  
**For the Year Ended December 31, 2021**

---

**6. LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES**

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures. Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following at December 31:

	<u>2021</u>
Financial Assets:	
Cash and cash equivalents	\$ 34,231
Other receivable	400
Total financial assets	<u>34,631</u>
Less:	
Amounts unavailable for general expenditures within one year due to donors' purposes restriction	<u>(8,920)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 25,711</u>

**7. TAX STATUS**

The Organization has been recognized by the Internal Revenue Service (IRS) as exempt from federal income tax under Internal Revenue Code Section 501(c)(a) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction, and has been determined not to be a private foundation. The Organization is required to file annually a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to our exempt purposes. The Organization has determined that it is not subject to unrelated business income tax and has therefore not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS

Accounting principles generally accepted in the United States of America require management to evaluate income tax positions taken and accrue an income tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the income tax positions taken and concluded that as of December 31, 2021, there were no uncertain positions taken or expected to be taken that would require accrual of a liability in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. As of December 31, 2021, the statute of limitations for tax years 2018 through 2020 remains open with the U.S. federal jurisdiction or the various states and local jurisdictions in which the Organization files tax returns. It is the Organization's policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense. As of December 31, 2021, the Organization had no accruals for interest and/or penalties.

**8. RELATED PARTY TRANSACTIONS**

During the year ended December 31, 2021, the Organization incurred expenses of \$57,009 with an organization that performs spays and medical services in which the Organization's Program Director is employed.

**A Cat's Life Rescue, Inc.**  
**Notes to the Financial Statements**  
**For the Year Ended December 31, 2021**

---

**9. RISKS AND UNCERTAINTIES**

**Concentration of Credit Risk**

Financial instruments that subject the Organization to concentrations of credit risk include deposit accounts with financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation (FDIC). The Organization has not experienced, and management does not anticipate experiencing any credit losses on such deposits. As of December 31, 2021, the deposit account balance did not exceed the FDIC insured limit of \$250,000.

**Concentration of Risk – Revenue and Support**

For the year ended December 31, 2021, one grantor comprised approximately 8% and another grantor approximately 6% of total revenue and support.

**Global Pandemic**

The on-going Coronavirus Disease 2019 (COVID-19) continues to affect global markets, supply chains, employees of companies, and communities. COVID-19 could impact the Organization's future operations and financial results. Management believes the Organization is taking appropriate actions to mitigate any negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated at this time.
